## Software Design Document - Appendix F – Dialog Screens

### 1. SignUpScreen: Fields are empty

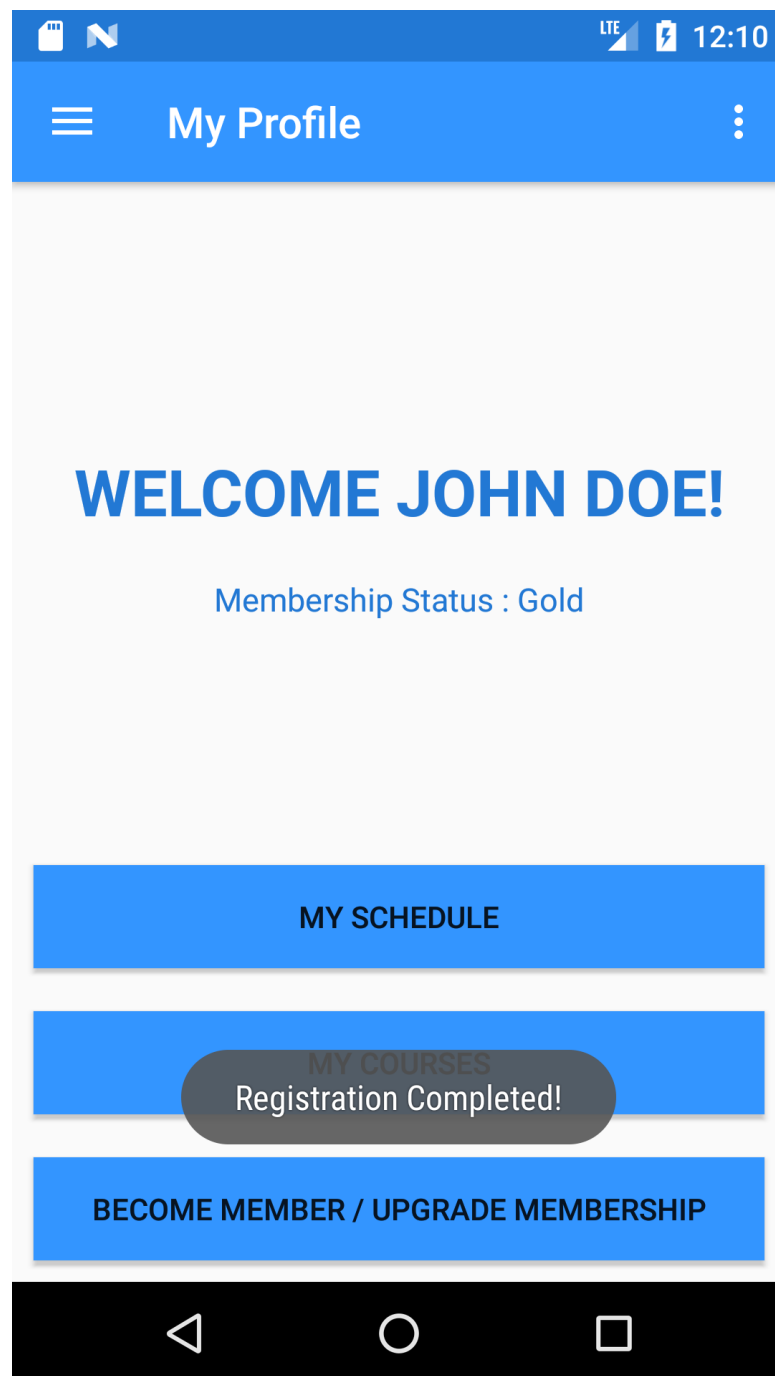

Mobile app interface for the SignUpScreen. The screen displays a form with the following fields and validation status:

- Name:** asdasd (Valid)
- Surname:** (Invalid - Red exclamation mark)
- Birth Date:** (Invalid - Red exclamation mark)
- Email:** (Invalid - Red exclamation mark)
- Username:** (Invalid - Red exclamation mark)
- Password:** (Invalid - Red exclamation mark)

A blue button labeled **SIGN UP** is located below the form fields.

## 2. SignUpScreen: Successful registration

Sports Center Management System	Version 1.2
Software Design Document – Appendix F	26/04/2018

### 3. SignInScreen: Username already taken

The screenshot shows a mobile application interface for signing up. At the top, there is a blue status bar with icons for signal, battery, and time (2:33). The main content area has a light gray background. It contains four text input fields, each with a label above it: 'Username', 'Password', 'Field 1', and 'Field 2'. The 'Username' field contains the text 'baran1' and has a red error icon (an exclamation mark inside a circle) to its right. A red horizontal line underlines the 'Username' field. Below the 'Password' field, there is a black error message box with white text that says 'This username is already taken.' Below the 'Field 1' and 'Field 2' fields, there are two more text input fields labeled 'Field 3' and 'Field 4', containing the text 'field3' and 'field4' respectively. At the bottom of the form, there is a large blue button with the text 'SIGN UP' in white capital letters. The bottom of the screen shows a black navigation bar with three white icons: a back arrow, a circle, and a square.

## 6. SignInScreen : Invalid username&password

The screenshot displays a mobile application interface for a sign-in screen. At the top, there is a blue status bar with icons for signal strength, LTE, battery level, and the time 9:37. Below the status bar, the screen has a light gray background. The 'Username' field is labeled 'Username' and contains the text 'asdas'. The 'Password' field is labeled 'Password' and contains the text 'dasd'. Below the password field, there are four login options: 'Login as a Member' (checked), 'Login as a Manager' (unchecked), 'Login as a Owner' (unchecked), and 'Login as a Trainer' (unchecked). A blue 'SIGN IN' button is positioned below the login options. At the bottom, a dark gray rounded rectangle contains the text 'Password or Username invalid!'. The bottom of the screen features a black navigation bar with three white icons: a back arrow, a circle, and a square.

## 7. PaymentScreen: Are You Sure?

Sports Center Management System	Version 1.2
Software Design Document – Appendix F	26/04/2018

## 8. PaymentScreen: Fields are empty

The image shows a mobile application interface for a payment screen. At the top, there is a blue status bar with icons for signal, battery, and time (9:35). Below the status bar, there is a light gray background with a blue header bar. The header bar contains an icon of two overlapping credit cards. The form consists of several input fields:

- CARD NUMBER: 232
- CARDHOLDER'S NAME: asd21
- EXPIRATION DATE: 31
- CVV2: (empty field with a red exclamation mark icon indicating an error)

Below the CVV2 field, there is a checkbox labeled "Use 3D Secure Payment". A black tooltip with white text "This field cannot be empty." is displayed over the CVV2 field.

At the bottom of the form, there is a large blue button labeled "PAY". Below the button, there are two logos: VISA and MasterCard.

## 10.UpdateProfileScreen: Successful update

The screenshot shows a mobile application interface for updating profile information. At the top, a blue status bar displays icons for signal, battery, and the time 9:36. The main title is "UPDATE PROFILE INFORMATION". Below this, there are several input fields with the following text: "testuser", "\*\*\*\*\*", "Jane", "Doe", "24/04/2018", and "testuser@gmail.com". Below these fields is a section titled "CONFIRM CHANGES" with two input fields containing "asdas" and "dasdd". At the bottom, there are two buttons: a blue "UPDATE" button and a red "DELETE ACCOUNT" button. A grey toast message "Profile Updated" is displayed over the buttons. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.

## 12. CancelMembershipScreen: Fields are empty

The screenshot shows a mobile application interface for canceling a membership. At the top, a blue status bar displays icons for signal, battery, and the time 9:36. The main content area has a light gray background. A text prompt reads: "If you are sure to cancel your membership, please confirm it operation by filling the form below." Below this, the heading "CONFIRM CHANGES" is centered. There are two input fields: "Username" and "Password". The "Username" field has a red underline and a red exclamation mark icon to its right. The "Password" field has a black error message box overlaid on its right side that says "This field cannot be empty." Below the fields is a large red button with the text "CANCEL MY MEMBERSHIP". At the bottom, a black navigation bar contains three white icons: a triangle, a circle, and a square.

If you are sure to cancel your membership, please confirm it operation by filling the form below.

**CANCEL MY MEMBERSHIP**

The image shows a mobile application interface for canceling a membership. At the top, a blue status bar displays icons for a SIM card, network signal, LTE, battery, and the time 9:36. The main content area has a light gray background. It begins with a text prompt: "If you are sure to cancel your membership, please confirm it operation by filling the form below." This is followed by a bold section header "CONFIRM CHANGES". Below this, there are two input fields. The first field contains the text "asd" and is followed by a horizontal line. The second field is labeled "Password" and is currently empty. A red vertical line is positioned at the start of the password field, and a red exclamation mark icon is at the end. A black error message box with white text "This field cannot be empty." is positioned below the password field. At the bottom of the form is a red rectangular button with the text "CANCEL MY MEMBERSHIP" in white. The entire interface is framed by a black Android-style navigation bar at the bottom, containing back, home, and recent apps icons.

If you are sure to cancel your membership, please confirm it operation by filling the form below.

#### 14. CancelMembershipScreen: Successful cancellation

The screenshot displays a mobile application interface for canceling a membership. At the top, a blue status bar shows LTE signal, battery level, and the time 1:46. The main content area has a light gray background. It begins with a text prompt: "If you are sure to cancel your membership, please confirm it operation by filling the form below." Below this is the heading "CONFIRM CHANGES". There are two input fields: the first contains the text "baran1" and the second contains ".....d", with a red underline beneath the second field. A red rectangular button labeled "CANCEL MY MEMBERSHIP" is positioned below the inputs. At the bottom of the form area, a dark gray rounded rectangle contains the text "Successfully cancel membership". The entire screen is framed by a black Android navigation bar at the bottom with back, home, and recent apps icons.
