3. SignInScreen

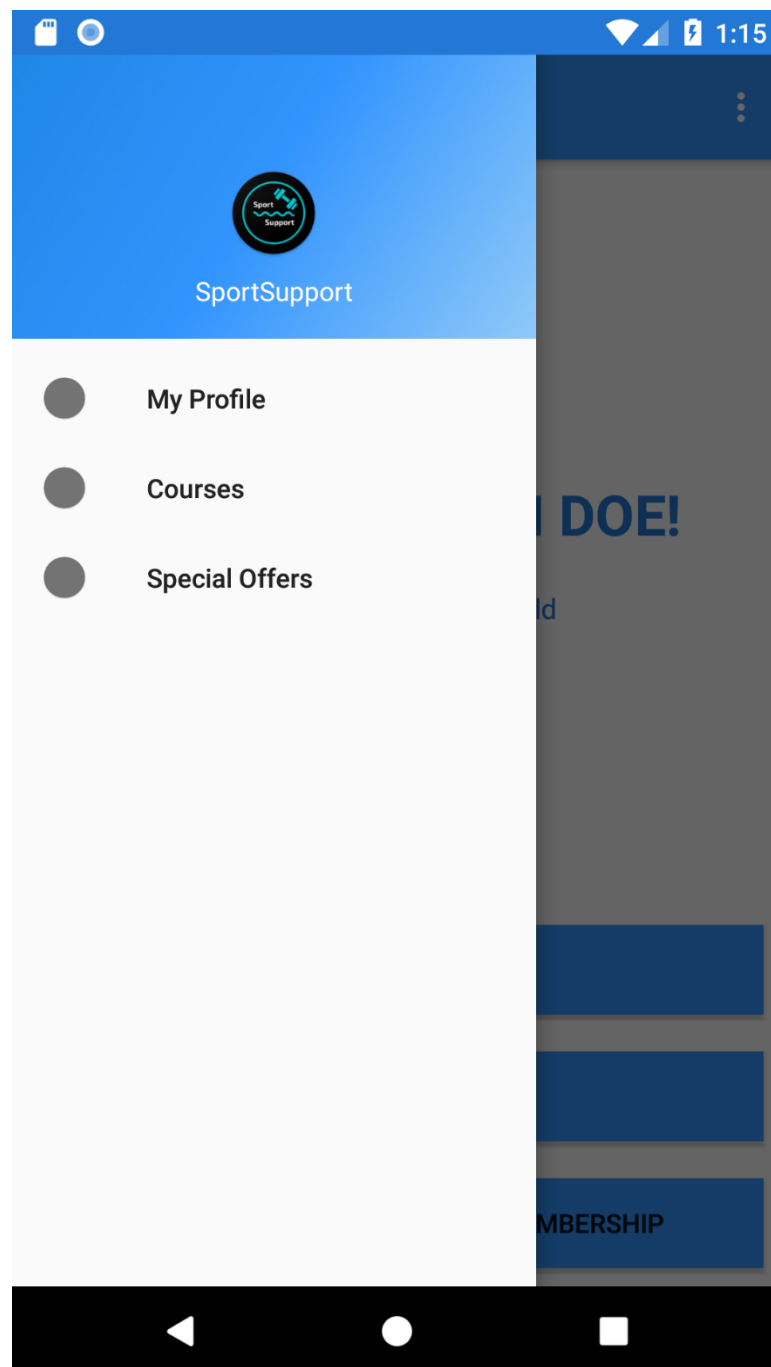

The screenshot displays a mobile application interface for signing in. At the top, there is a blue status bar with icons for signal, Wi-Fi, and battery, along with the time 1:14. Below this, the main content area has a light gray background. It features two input fields: 'Username' with a red underline and 'Password' with a gray underline. Below the password field, there are four login options, each with a checkbox: 'Login as a Member' (unchecked), 'Login as a Manager' (checked with a red checkmark), 'Login as a Owner' (unchecked), and 'Login as a Trainer' (unchecked). A prominent blue button labeled 'SIGN IN' is centered below these options. At the bottom of the screen is a black navigation bar with three white icons: a back arrow, a home circle, and a recent apps square.

14. CancelMembershipScreen

The screenshot shows a mobile application interface for canceling a membership. At the top, there is a blue status bar with icons for signal, Wi-Fi, battery, and the time 1:16. Below the status bar, the main content area has a light gray background. It starts with a text prompt: "If you are sure to cancel your membership, please confirm it operation by filling the form below." followed by a bold heading "CONFIRM CHANGES". Below this heading are two input fields: "Username" and "Password", each with a red underline. At the bottom of the form is a red button with the text "CANCEL MY MEMBERSHIP". The bottom of the screen features a black navigation bar with three white icons: a back arrow, a circle, and a square.

20. BranchManagementScreen(Forms)

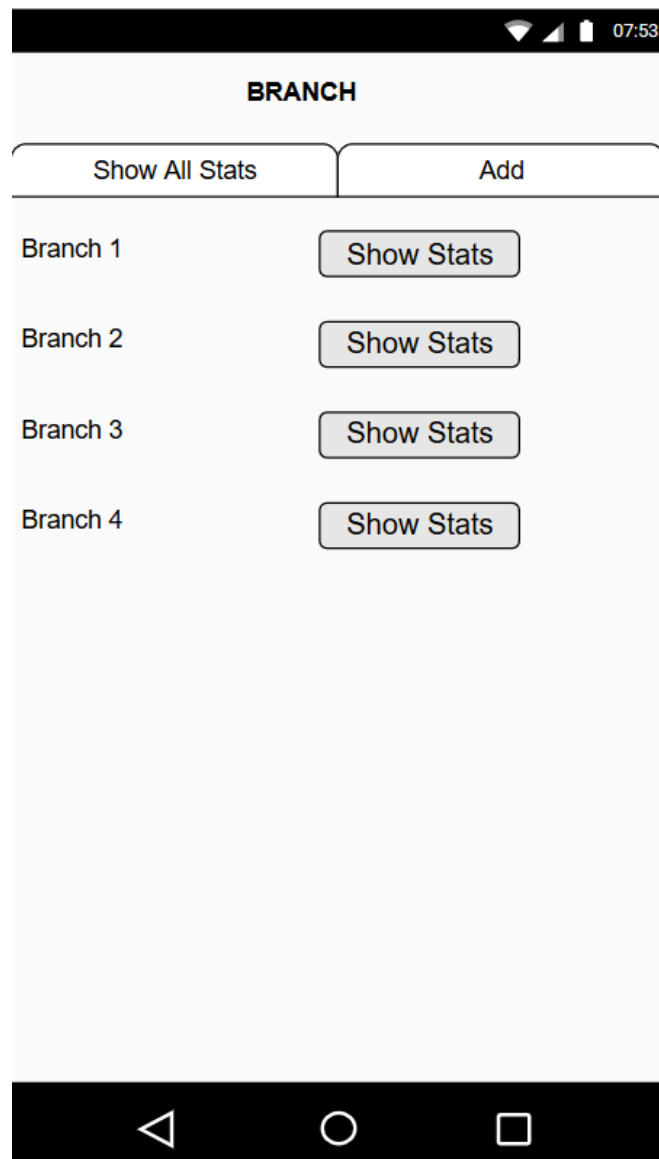

The screenshot displays a mobile application interface for managing branches. It features two distinct forms. The first form, titled 'Branch Management', includes input fields for 'Branch Name', 'Branch Quota', 'Phone Number', 'City', 'District', and 'Address'. Below these fields is a prominent blue button labeled 'OPEN NEW BRANCH'. The second form, located further down, contains a single 'Branch Name' input field followed by a blue button labeled 'CLOSE BRANCH'. The interface is presented on a mobile device screen, with a status bar at the top showing icons for signal, Wi-Fi, and battery, and an Android navigation bar at the bottom.

21. CourseManagementScreen(Forms)

The image shows a mobile application interface with a blue header bar containing status icons and the time 1:19. The main content area is light gray and contains two forms. The first form, titled 'Course Management', has input fields for Course Name, Quota, Branch Name, Trainer Name, Species, Start Date, and End Date, followed by a blue 'OPEN COURSE' button. The second form, titled 'Course Management', has an input field for Course Name and a blue 'CLOSE COURSE' button. The bottom of the screen features a black navigation bar with three white icons: a back arrow, a circle, and a square.

22. UserManagementScreen(Forms)

The screenshot displays a mobile application interface for user management. At the top, a blue status bar shows standard Android icons and the time 1:18. The main content area is white and contains a series of form fields: 'Name', 'Surname', 'Username', 'Birth Date', 'Email', and 'Password'. Each field is represented by a text label above a horizontal input line. A prominent blue button with the text 'ADD NEW USER' is located below the 'Password' field. Below this, there is another 'Username' input field. At the bottom of the form section, there are two red buttons side-by-side, labeled 'DELETE USER' and 'BAN USER'. The entire interface is set against a light gray background and is bordered at the bottom by a black navigation bar with standard Android navigation icons.
